What information is collected about users?

We collect information about users when in our website they fill in forms or send inquiries.

How do we use the information about users?

The data collected are aimed to process your request, manage your account and, if you agree, send you by e-mail information about other products and services that we think may be of interest to you.

We use the information collected from the Website to personalize your next visits to our Website.

Access and correction of your information

You have the right to request a copy of the information we have about you. If you wish to request a copy of partial or total information of your data retained by **GLAZVADENT** please send us an email to clinica.dr.am@gmail.com or write to Rua Visconde da Luz, nº 12, 1º, 2750- 414 Cascais.

We want to be sure of the accuracy and reliability of the information we hold about you. You may request the correction or removal of any information that is not up-to-date.

Cookies

To make this site work properly, we sometimes place small data files called cookies on your device like most websites do.

What are cookies?

A cookie is a small text file that a website saves on your computer or mobile device when you visit the site. It enables the website to remember your actions and preferences (such as login, language, font size and other display preferences) over a period of time, so you don't have to keep re-entering them whenever you come back to the site or browse from one page to another. This is why when you scroll through the website, or return to a website you've visited, you do not have to re-enter your preferences.

How to control cookies

You can control and/or delete cookies as you wish – for details, see aboutcookies.org. You can delete all cookies that are already on your computer and you can set most browsers to prevent them from being placed. If you do this, however, you may have to manually adjust some preferences every time you visit a site and some services and functionalities may not work.

Under age users

It is not policy, neither intention, of **GLAZVADENT** to collect and treat abusive information about children and minors.
